Final Note by the Second Member of Council.

Subject:—

Proposals for fixing the rates of travelling allowance admissible to the Registrar of the Department of Mines and Geology.

Paper under disposal

The Director, Department of Mines & Geology, states that, as the rates of travelling allowances sanctioned in Government Order Geol. No.270 G. dated 1st March 1898, for the Registrar of the Geological Department, do not find a place in the revised list issued recently with the 26th list of corrections to Appendix E of the Mysore Service Regulations, it is necessary to fix some scale and recommends that the rates fixed in the order of 1st March 1898 may be sanctioned.

Page 2 of office note. The Financial Department is of opinion that the Registrar of the Department of Mines & Geology, may be allowed Re.1-8-0 per diem and 0-4-0 a mile.

pp 6-7 of minutes The question was considered by the Council and they are of opinion, that in view of what other officers of similar status are allowed, a daily allowance of Rs.2/- a day and mileage at 4 as. a mile may be sanctioned. The recommendation of the Council may be approved.

Director, Department of Mines and Geology,
Mysore State.

To

D.M. Narasinga Rao, Esquire, B.A.,B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
General Department.

SIR,

In forwarding herewith for your perusal and kind return Memo (in original) No.2617, dated 14th August 1916,from the Comptroller in Mysore, stating that Government Order (Geol) No.270-G, dated 1st March 1898, fixing the marginally noted rates of travelling allowances for the Registrar of this Department has been "done away with" by the 26th list of corrections to Appendix E of the Mysore Service Regulations and that fresh orders of Government should therefore be obtained fixing the rates of Travelling allowance admissible to the Registrar, I have the honour to request that the Government may be pleased to renew the Government Order of 1st March 1898 referred to above, as the post of Registrar which the Government contemplated to abolish in para 20 of Government Order No.G.8445-93/G.M.292-14-1, dated 9th February 1915,relating to the re-organization of the Department, has, on subsequent representations made by me, been retained by Government.

Daily allowance - Rs.3/- a day.
Mileage - 6 as./- a mile.

16

2. The previous Registrars, Messrs.Lee and Subba Rau, had been personally allowed the marginally noted higher rates of travelling allowances (Vide G.O.No.49 G, dated 17th August 1898), and it is only reasonable therefore that the present and future Registrars should be given at least the rates fixed by the order of 1st March 1898. I beg also to invite your attention to the fact that at the time the enhanced rates referred to above were sanctioned Mr. Lee, the then Registrar, was on a pay of Rs.150/- which is the maximum pay of the present post.

Daily allowance	Rs.4/-
Mileage	8 as./-
Double I Class Railway fare.	

3. The file relating to the Government Order of 1st March 1898 and to the grant of the enhanced rates of Travelling Allowance to Messrs.Lee and Subba Rao is forwarded herewith for reference and kind return.

I have the honour to be,

Sir,

Your most obedient servant,

Director,

Department of Mines & Geology.
